

Confirmation Retreat

We are looking forward to Confirmation 2019.

We need our CONFIRMED YOUTH to share their experiences and witness with the Confirmandi which will assist them in developing their own relationship with the church as well as deepen their relationship with God! Each teen leader has a mentor to help guide them in the preparation of the retreat. This is a peer lead retreat and the role of the adults is mainly a mentor to our teen volunteers. Our goal is for us to work together to prepare our candidates for the Sacrament of Confirmation. We want to provide a fun, positive, spirit filled retreat! The retreat will be held the weekend of January 18th at Camp St. John at Marywood.

Due to space, our retreat team will be restricted to a certain number. We will need any youth interested in joining the retreat team to prayerfully consider **committing** to this retreat and know that we expect you to attend every meeting. Please also know we **encourage** and **value** your input and **want** your help!

Your application is due Tuesday September 4th by 4:30pm
