

Lenten Soup & Stations of the Cross

Please support our Souper Suppers
Why do we do them? Who does it help? Why should I come? ALL ARE Welcome!

The **First** purpose is to feed the Hungry; in our case the donations we receive go to fund our meals that we serve at the Sulzbacher Center. We serve over 400 plates of food each month.

The **Second** to **build community** among our parishioners.

The **Third** is to give people a new awareness of the problem of hunger and an experience of being a little hungry themselves.

And **Finally**, and maybe the most important it is to invite people to become active in their faith.

Lenten Souper Suppers for 2023

Everyone is welcome for Friday night dinners at our parish. We are offering soup meals during Lent where you can enjoy some wonderful homemade soup made by our own ministries. Meet your parish family members. Those you know and those you have yet to meet.

We ask that each family attend at least one of these meals which are FREE to attend and donate the price of a meal to our collection that we are collecting for the Sulzbacher Center.

After you eat then you can go to the church to participate in our Friday Stations of the Cross at 7 PM.
